Dear Feminist Faculty,

The Feminist Majority Foundation's (FMF) Campus Leadership Program is the largest pro-choice student network in the country, committed to supporting feminist students, faculty, and staff on college campuses nationwide. We would like to invite you to participate in the network and to share with feminist student leaders from diverse backgrounds and academic disciplines on your campus our information.

Since 1997, FMF has worked to develop a network of pro-choice, feminist student groups on college campuses nationwide that participate in the *Choices* Campus Leadership program. Operating under the philosophy of education to action, these nationally affiliated groups, known as Feminist Majority Leadership Alliances (FMLA), provide progressive students with opportunities to develop their leadership and organizational skills while building the feminist presence on their campus and connecting with the nationwide feminist movement.

Additionally, the Feminist Majority Foundation has opportunities for college students to gain leadership skills working for women's rights as **full-time interns** in our Washington, DC, and Los Angeles offices for the upcoming fall and spring semesters. FMF has been ranked as one of the nation's top 100 internship programs by the Princeton Review's *America's Top 100 Internships*.

We would like you to identify young feminist leaders on your campus who you think would benefit from joining a Feminist Majority Leadership Alliance and who would enjoy promoting feminism on your college campus. Of the many advantages gained by joining an FMLA, student leaders have access to a staff of National Campus Organizers on the East Coast and West Coast, leadership training programs, and free organizing and program resources.

We greatly appreciate your effort in connecting us with students committed to women's equality. Enclosed in this packet are flyers with details on our Feminist Campus Leadership Programs. We look forward to working with you. Should you have further questions, please do not hesitate to call me at (703) 522-2214 or e-mail me at wmatheny@feminist.org.

For equality,

Wendy Matheny
Campus Program Coordinator
